JUNCTURES: CASE STUDIES IN WOMEN'S LEADERSHIP

Using the case study method, the books in this series explore decisions women leaders make in a variety of fields.

JUNCTURES IN WOMEN'S LEADERSHIP: BUSINESS
Edited by Lisa Hefte-field and Dana M. Britton
Featuring a diverse array of women corporate executives and entrepreneurs, both past and present (including Martha Stewart, Alice Waters, and Madam C.J. Walker), each of the twelve case studies in this volume includes a compelling and instructive story of how a prominent woman in business handled a critical juncture or crisis in her career, presenting leadership lessons that will benefit readers regardless of gender.

JUNCTURES IN WOMEN'S LEADERSHIP: SOCIAL MOVEMENTS
Edited by Mary K. Trigg and Alison R. Bernstein
This volume in this new series introduces readers to twelve women from across the globe who have spearheaded wide array of social movements, from gender equality to environmental justice. Examining how these women made sacrifices, asked critical questions, challenged injustice, and exhibited the will to act in the face of harsh criticism, these case studies also provide a unique window into the ways that women leaders make decisions at moments of struggle and historical change.

U.S. WOMEN’S HISTORY
Untangling the Threads of Sisterhood
Edited by Leslie Brown, Jacqueline Casteldine and Anne Valk
Spanning the antebellum era to the present day, the ten original essays in U.S. Women ’s History represent a cross-section of current scholarship, examining both the causes that have united American women and the conflicts that have divided them. The book offers a fresh take on familiar events and figures, from Rosa Parks to Take Back the Night marches, while vividly conveying the multi-textured and multi-hued tapestry that is U.S. women ’s history.

BEST SELLING BOOK ABOUT WOMEN AND THE ENVIRONMENTAL MOVEMENT

RACHEL CARSON AND HER SISTERS
Extraordinary Women Who Have Shaped America’s Environment
Robert K. Musil
“Musil uses the life and writings of Rachel Carson as an exemplar of women’s participation in the American environmental movement. He places Carson’s achievements in contexts by illuminating...the lives of trailblazing female scientists who inspired her and for whom she, in turn, paved the way. Extremely well-researched.”

LITERARY SISTERS
Dorothy West and Her Circle,
A Biography of the Harlem Renaissance
Verner D. Mitchell and Cynthia Davis

“Simply put, this is a deliciously engaging book. The authors weave a rich and well-paced narrative of a network of ‘literary sisters,’ determined to write despite only dribbling support from the literary establishment. But more than that, the book broadens and deepens our knowledge of the Harlem Renaissance, while correcting many misconceptions surrounding its fabled artists.”
